

## Emergency Services

Iron Mountain Animal Hospital has veterinarians who are on call 24-hours a day to provide emergency services should you ever need it. We serve a wide area of the Iron Mountain and the surrounding area that centers in the counties of Dickinson, Iron, and Florence.

### Emergency Care

- Colic Diagnosis and Medical Treatment
- Laceration repair
- Acute Lameness Evaluation

### In House Capabilities

With our indoor heated stall or our outdoor round pen, we now offer 'trailer in' services for your equine veterinary care.

Dr. Jordan Hughey, DVM

IMAH's mission is to bring the highest quality care to both our referral and our ambulatory patients. We are an organization of caregivers who aspire to consistently high and constantly improving standards of quality and cost-effectiveness. We seek to improve animal health by delivering a broad range of services, with sensitivity to the needs of our patients and their owners.

'No hour of life is wasted that is spent in the saddle.' ~Winston Churchill

“Whether your horse is used for reproduction, performance, pleasure or just living a good life in the pasture, Iron Mountain Animal Hospital Equine Veterinary Care, cares about your horse”.

Iron Mountain Animal Hospital is dedicated to providing high quality, comprehensive medical and surgical care to horses throughout the tri-county area. The hospital has a staff of veterinarians, technicians, and support personnel that is available 24-hours a day to handle emergency and routine cases.

Whether your horse is a national competitor, a brood mare, or a pet, it will receive the best medical attention a modern facility and highly trained staff can provide. Iron Mountain Animal Hospital's client base includes competition horses in all disciplines, breeding stock, working farm horses and pleasure horses.
